Dedication

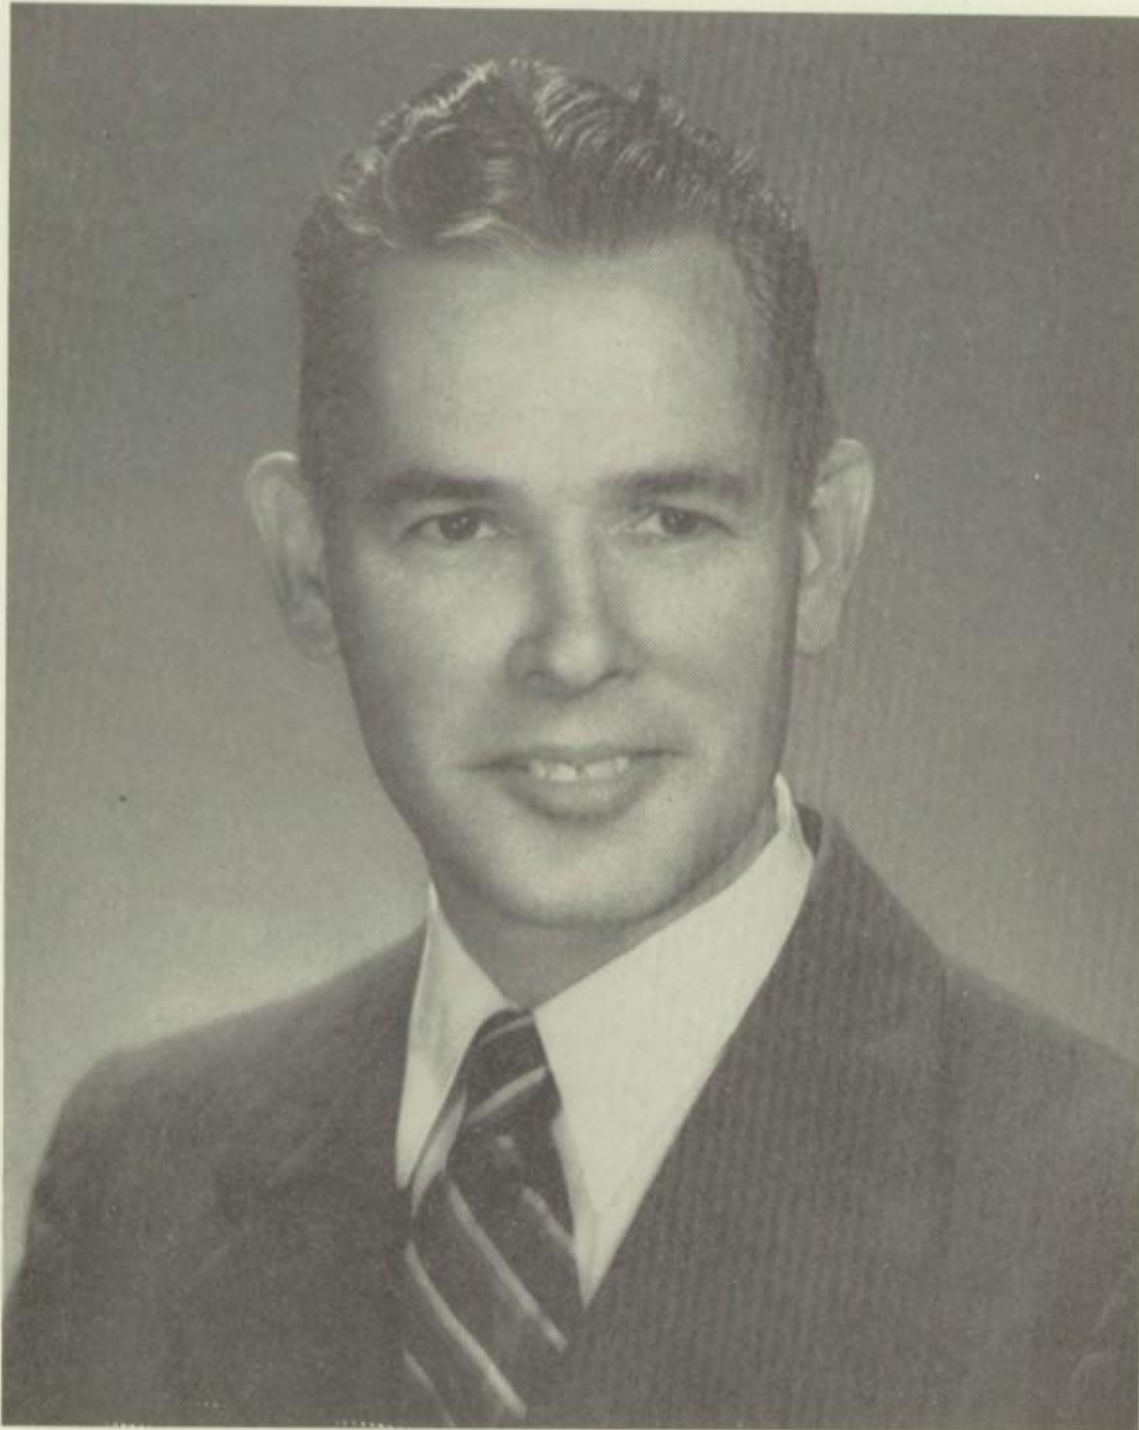

It is with fondest memories and deepest respect that we dedicate this issue of the Fabella of the William MacFarland High School to Charles Johnson, William Johnson and Norman Elliot who each, though short lived, contributed in his own way to our class life.

M.A. in Ed., University of Pennsylvania

Principal of High School

A great deal of credit is due to the administration of B. H. S. whose efforts have made possible the completion of our high school career. Each in his own way has done much for the Senior Class.

First, to Mr. Oberholser, we express our appreciation for organizing and supervising our faculty, curricula, budget, policies, and public relations.

Second, to Mr. Dare, we give our thanks for preparing our schedules, consulting with our parents, and assisting us in our selection of colleges and careers.

The Fabella Staff

Seated: Barbara Ehret, Barbara White, Eileen Sheedy, Helen Bowe, Loretta Parker Dorothy Shestko.

Standing: Ethel Grace, Viola Shinn, Sara Bodine, Loraine Black, Joyce McGowan, Janice Kirby, Barbara West, Ann Rockhill, Jean McCormick.

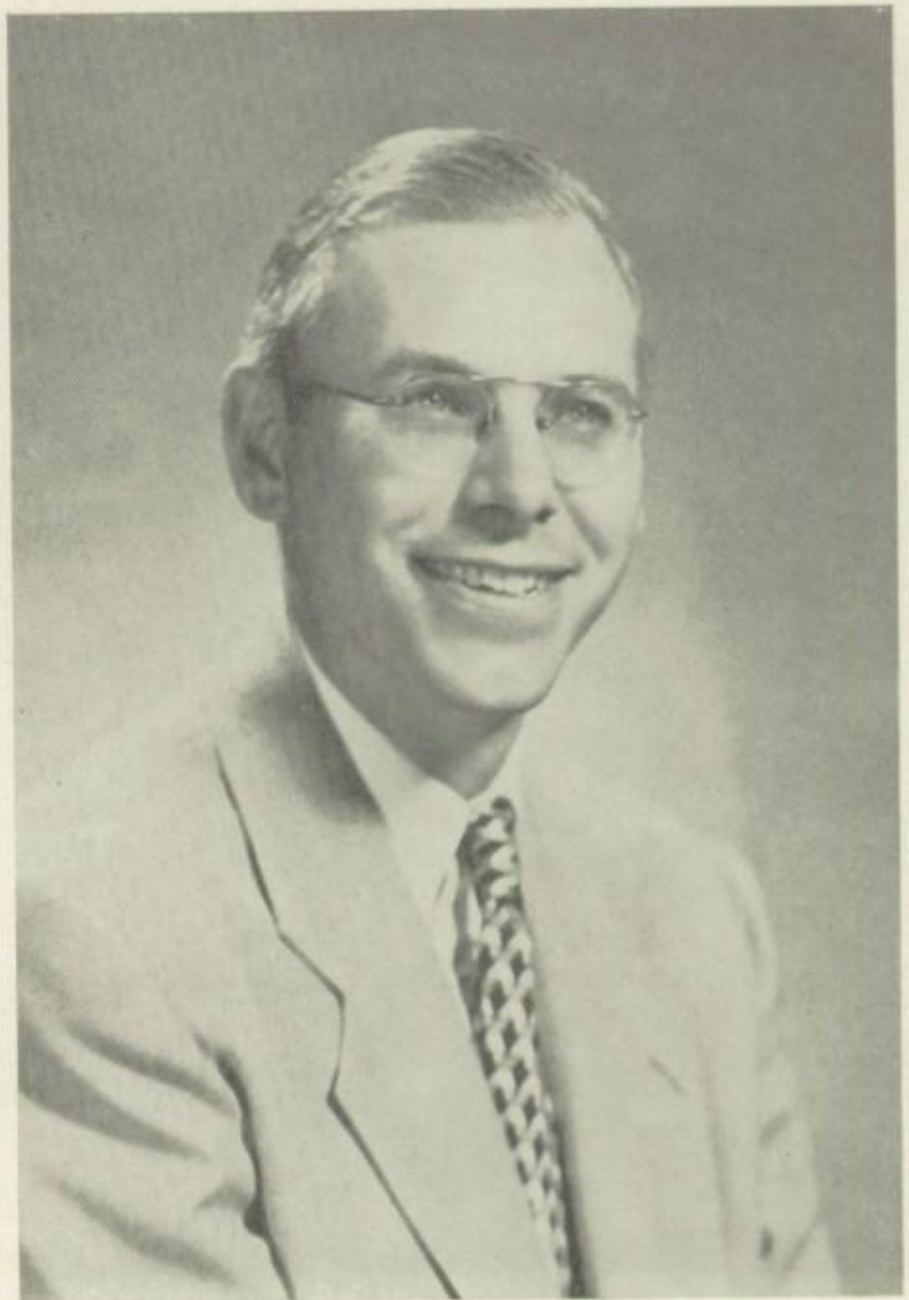

THE FABELLA STAFF has constantly aimed to produce a book which will provide many hours of enjoyment for the present and in the future. Through the medium of pictures and literature, this Fabella provides an excellent foundation for reminiscing and recalling the many good times we enjoyed and the firm friendships we made at B. H. S.

Each member of the Staff has worked diligently to do her part toward making the 1950 issue of the Fabella a great success. Planning photographs, collecting material, soliciting advertisements, and typing copy are only a few of the many tasks necessary for the publication of this book.

On behalf of all Seniors, the Fabella Staff wishes to express its deepest gratitude to Miss Elsie C. Valentini whose endless patience and untiring efforts have made possible the publication of Volume XXXVIII of the Fabella.

• Production of productions! Our seniors under the able direction of Miss Margaret McKelvey, came through with a play that stopped the audience. Backstage, the cast, a little nervous but perfect to the last letter, awaited its cue. Then, curtains going up! It's show time!

• The plot dealt with the summer theatre and aspiring young actors and actresses who eventually get into love triangles with snatches of family trouble thrown in. The last act proves "all's well that ends well," which it did, and a wonderful applauding audience spelled success for our invincible seniors.

Senior Ball

•

Early in the school year the seniors started making plans for their big dance, the Senior Ball. In noon time meetings with Mr. Stinner, we selected the theme of the "Ballet" with the colors of pink, black and silver. Weeks before December 2, the date of the dance, different groups remained after school drawing and painting silver ballet slippers, theatre masks, and graceful ballet dancers with silver dust sprinkled on them. Pink paper drapes were used for the sides of the bandstand, with silver ballet slippers in the background. The baskets were made to resemble chandeliers.

The big night finally arrived—December 2, 1949, music by Art Brown and dancing from nine to twelve. The girls bedecked in gowns of bright hues and cut to the latest fashion were escorted by their dates equally well turned out in their "Sunday Best." After greeting the chaperones who were Mr. and Mrs. Stinner, Mr. and Mrs. Oberholser, and Mr. Dare, the enchanted evening began, the memory of which will live on for many years to come.

Senior Class History

•

Approximately thirteen years ago, we, the members of the present Senior Class, began our first year of school. With shining faces and curious minds, we delved into the mysteries of Readin', Ritin', and 'Rithmetic.

After going through the usual trials and tribulations of elementary students, the scholars from Fieldsboro, Crosswicks, and Columbus joined with those from Bordentown to become one class for the four ensuing years.

In September '46, we entered B. H. S., with Miss Ponnone as our adviser and Jack Flurer class president. The big event of the year was our "Freshman Skip."

Our Sophomore Year began with Miss Gehringer replacing Miss Ponnone, who left to teach elsewhere, and Jack Flurer again president. A short time after our return as Sophomores, the first bit of sadness descended upon our class. Charles and Bill Johnson were killed when struck by an automobile. During this year we took our first class trip to the Philadelphia Zoo and we also held our first formal dance—the "Sophomore Hop." Our sister class, the Class of '48, took their spite out on us during "Sophomore Week" when we had to carry our books in a bucket, address the seniors as Mr. or Miss, and wear big signs on our backs. Another big event this year was the local oratorical contest in which Bob Gatto, a classmate, emerged victorious over several other contestants and completed in the county contest to win third place.

We began our Junior Year with a bang under the guidance of Mr. Stinner, our new adviser, and Don Rienhardt president. Our first venture, a magazine sale, was a tremendous success and added a great deal of money to our treasury. For our annual class trip we went to Valley Forge where we visited all the historical spots that we had studied about in our history classes. Early in the spring there was another hayride sponsored by the juniors which was a great success. Toward the end of the year we held our prom to which we invited the members of the senior class. So ended our Junior Year!

In September we entered school as Seniors. The first event of the year was the enthusiastic presidential campaign. After a second vote to eliminate a tie, Kenneth Lippincott was elected president. On November 17 and 18, a group of seniors presented a comedy entitled "Come Rain Or Shine" under the direction of Miss McKelvey. During "Senior Week" the students also had an opportunity to do some of the things which had been done to them during "Sophomore Week." On December 2, many couples danced happily to the music of Art Brown and his orchestra at the Senior Ball.

At this writing the Seniors still have two very important events to look forward to: the Class Trip and the Farewell Dance both of which we are anticipating with great joy as these affairs will bring to a close four very eventful and happy years spent at B. H. S.

Club and Athletic Activities

- Clubs! Sports! Both of these extra curricular activities play a major part in the school life of each B. H. S. student. Fortunately the clubs and sports were backed by a high percentage of students who were ever ready to offer their support and cooperation.
- Due to the additional time allowed by the activity period, many new clubs have been offered this year. In addition to the older activities a new phase of work for some clubs has been the presentation of assembly programs.
- Sports is a topic of great interest at B. H. S. and nearly every student has an interest in the progress of our teams. The football team had quite a successful season under the supervision of Coach John E. Callery, while the basketball team, also coached by Mr. Callery had a very successful season suffering few defeats. At the present time we are engaged in our baseball season which has gotten off to a fine start.
- Although the girls' hockey team, coached by Mary E. Colvey, was not too successful, Miss Colvey's fighting basketball team emerged with an undefeated record.

STUDENT LOAN FUND

The Bordentown Rotary Club maintains and administers student loans for worthy young people to assist them in the completion of their education.

Loans are made to college students who have a definite goal in view, and who are unable otherwise to complete their college education.

Qualifications to be met by the student usually include high scholarship, good character, a third or fourth year rank in college and a willingness to work for a share of the expense of attending college.
